Flint License Subsidiary Corporation
Construction Completion Certification for E040304

Licensee: Flint License Subsidiary Corporation
FCC File #: SES-LIC-20040708-01005
FCC Call Sign: E040304
License Granted: September 15, 2004

Flint License Subsidiary Corporation certifies that the facility as authorized has been completed. The manufacturer states it has tested this antenna and that it meets and/or exceeds the requirements specified in Section 25.209, and 25.135.

The earth station became operational on January 11, 2005.

Flint License Subsidiary Corporation certifies that the station is operational and will remain operational during the license period unless the license is submitted for cancellation.

This certification has been prepared or gathered by me or under my direction on behalf of Flint License Subsidiary Corporation and is true to the best of my knowledge and belief.

Dated: February 15, 2005
