RE: Required Notice of Completion of Construction  
Ku Band Temporary-Fixed Satellite Earth Station  
Licensee: Flint License Subsidiary Corporation  
Earth Station Call Sign: E040379  
File Number: SES-LIC-20040913-01429  
License Grant Date: 11/03/2004

Dear Ms. Dortch:

Attached in triplicate for filing with the Commission on behalf of Flint License Subsidiary Corporation, licensee of the above captioned Earth Station, please find the Required Notice of Completion of Construction for Earth Station License E040379, as required by Section 25.133 of the Commission's Rules and Special and General Provisions 2938 of the above captioned Earth Station License. Also included is a copy of this letter to be stamped as received and returned in the postage paid, self-addressed envelope provided.

The certification that the facility has been completed as authorized was prepared by this office under the authorization of the Flint License Subsidiary Corporation. The certification includes a statement that the manufacturer has tested the antenna and that it is within 2 dB of the pattern specified in Section 25.209, and that the station will remain operational during the license period unless the license is submitted for cancellation. This certification states that the earth station was placed into service on March 11, 2005.

If any questions arise, please communicate with the undersigned.

Sincerely,

Alfred E. Resnick, P. E.
