NOTIFICATION OF COMPLETED CONSTRUCTION

Dear Sir or Madam:

Pursuant to the procedures described in 47 CFR § 25.133, ConocoPhillips Communications Inc. ("ConocoPhillips") hereby certifies that the required construction of the above-captioned station was completed, and it was placed in operation prior to December 29, 2005.

ConocoPhillips began operation of this facility on December 16, 2004 under the terms of a Special Temporary Authority. Regular authority for operation of the station was granted with an effective date of December 29, 2004. ConocoPhillips certifies that each antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 and that the station is operational including the date of commencement of service and will remain operational during the license period unless the license is submitted for cancellation.

Should you have any questions concerning this matter, please let us know.

Respectfully submitted,

Larry Anderson, Vice President
ConocoPhillips Communications Inc.
