Dear Ms. Lott:

This is to advise the Commission that the above-referenced application seeks one C band transmit/receive license for two antennas (9.3 meters and 4.5 meters) at the same site. The 4.5 meter antenna is a back-up for the 9.3 meter antenna.

Please do not hesitate to contact the undersigned in the event you have additional questions.

Very truly yours,
/s/ William D. Silva
Counsel for STN Satellite Network
