

Exhibit G
Response to Question 21

Intelsat LLC seeks to operate this earth station on both a common carrier and non-common carrier basis. However, the electronic response to Question 21 only permits an applicant to check one box. Accordingly, Intelsat LLC checked one box—the box marked non-common carrier—and submits this exhibit to make clear that both boxes—the box marked non-common carrier and the box marked common carrier—should be checked.
