Ms. Bryant:

We understand the Coordination Information did not get populated for the recent Ku-band earth station application referenced above.

Following is the Coordination information that should have been referenced on Schedule B of the Form 312 for this application:

E51. Geostationary
E52. 11700 MHz (receive), 14000 MHz (transmit)
E53. 12200 MHz (receive), 14500 MHz (transmit)
E54. 60
E55. 143
E56. 138.3
E57. 45.7
E58. 252.9
E59. 18.4
E60. -11.71

Please let me know if you need any more information to complete the processing of this application.

We appreciate all of your help.

Thank You,

Gary Edwards
