Re: Notification of Construction and Commencement of Service

Dear Madam Secretary:

On April 12, 2005, the Commission granted the license for Transmit/Receive Earth Station E050050 (the "Station") under File No. SES-LIC-20050228-00236. This letter is to advise the Commission that the Station has been constructed and placed in operation.

Specifically, the Commission is advised as follows:

- **Name of Licensee:**

Westar Satellite Services LP

(It is noted that simultaneously with the filing of this notification, a notice is being filed with the Commission specifying that the name of the licensee has been changed from Cedar Hill Texas Video Network LP to Westar Satellite Services LP ("Westar"). A copy of the name change notification is attached)

- **File Number:**

SES-LIC-20050228-00236

- **Call Sign and Date of Grant:**

E050050, April 12, 2005

- **Certification:**

Westar certifies that: (i) construction of the Station's facilities as authorized has been completed; (ii) each antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules; and (iii) as of April 12, 2005, the Station is operational and will remain operational during the license period unless the license is submitted for cancellation.
