Subject: Sat Arc Correction SES-LIC-20050325-00351 / E050082

Dear Townda:

Please reference File # SES-LIC-20050325-00351 / Call Sign E050082:

Please correct typo for Sat Arc East Limit to read "65W" (was 40W) for frequencies 3700-4200.

Thank you very much for your prompt service!

Kind regards,

Basil Pinzone
