Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
1.		Verify that the system displays a Summary of the questions on the right side of the questionnaire page.	The system displays a summary of the questions on the right side of the questionnaire page.		
2.		Click on any question within the Summary area and verify that the system proceeds to the selected question.	The system proceeds to the selected question.		
3.		Verify that the Yes and No radio button options appear for questions 1, 4-11, 13-23.	The Yes and No radio button options appear for questions 1, 4-11, 13-23.		
4.		Verify that the <Next> button appears for question 1; <Previous> and <Next> buttons appear for questions 2-22.	Verify that the <Next> button appears for question 1; <Previous> and <Next> buttons appear for questions 2-22.		
5.		Click on the first question within the Summary area to return to the beginning of the questionnaire.	The system returns to the first question.		
6.		Verify that when the user is answering the qualification questions, the system shall save the user responses every time he/she moves to another question. The user shall not be prompted to save his/her responses.	When the user is answering the qualification questions, the system shall save the user responses every time he/she moves to another question. The user shall not be prompted to save his/her responses. To verify this, confirm the Filing ID of the application you are working on, click on MyIBFS Workspace at the top of the page; then click on the correct Filing ID to move from and to the application.		
7.		Verify that the following text appears below the title and for all qualification questions: "You are applying for a Satellite Earth Station License or Registration of Domestic Receive Only Earth Station. If you need further assistance, click on the Help link."	The following text appears below the title and for all qualification questions: "You are applying for a Satellite Earth Station License or Registration of Domestic Receive Only Earth Station. If you need further assistance, click on the Help link." The Help popup screen shall direct the user to the Help screen Section 1: FCC Form 312 EZ Qualification Questions section popup.		

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
8.		Application for a New License: Verify that the first qualification question is: "Are you applying for a NEW earth station license or registration (i.e., one that has not been previously licensed or registered?)"	The first qualification question is "Are you applying for a NEW earth station license or registration (i.e., one that has not been previously licensed or registered?)"		
9.		Application for a New License: Select No then click on <Next>. Verify that the system displays the following information: "Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. " (hyperlink)	The system displays the following information: "Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. " (hyperlink)		
10.		Application for a New License: Select Yes then click on <Next>. Verify that the system proceeds to the 2 nd question.	The system proceeds to the 2 nd question.		

Beginning with Test #11 you will need to have submitted 4 distinct filings to test:

- 1) Fixed Earth Station and C-BAND options.**
- 2) Fixed Earth Station and KU-BAND options.**
- 3) Temporary Fixed Earth Station and C-BAND options**
- 4) Temporary Fixed Earth Station and KU-BAND options**

This is the test of the Fixed Earth Station and C-BAND options. This assumes the steps from Test #10 have been followed. NOTE: Please, create two Fixed Earth Station and C-BAND filings. These will be needed in later tests.

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
11.		Verify that the 2 nd qualification question is: "Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?" - Fixed Earth Station - Temporary Fixed Earth Station - Other	The 2 nd qualification question is: "Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?" - Fixed Earth Station - Temporary Fixed Earth Station - Other"		

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
12.		Application, Frequency Bands, Satellites, and Services: Select Other then click on <Next>. Verify that the system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)	The system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)		
13.		Application, Frequency Bands, Satellites, and Services: Select Fixed Earth Station then click on <Next>. Verify that the system proceeds to the 3 rd question.	The system proceeds to the 3 rd question.		
14.		Verify that the 3 rd qualification question is: “Which band will your proposed earth station be operating in?” - C-band (3700-4200 MHz and 5925-6425 MHz) - Ku-band (11.7-12.2 GHz and 14.0-14.5 GHz) - Other	The 3 rd qualification question is: “Which band will your proposed earth station be operating in?” - C-band (3700-4200 MHz and 5925-6425 MHz) - Ku-band (11.7-12.2 GHz and 14.0-14.5 GHz) - Other		
15.		Application Frequency Band: Select Other then click on <Next>. Verify that the system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)	The system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)		
16.		Application Frequency Band: Select C-band then click on <Next>. Verify that the system proceeds to the 4 th question.	The system proceeds to the 4 th question.		
17.		Application Frequency Coordination Report: Verify that the 4 th qualification question is, “Have you completed Frequency Coordination and will you be attaching a Frequency Coordination Report to this application?”	The 4 th qualification question is, “Have you completed Frequency Coordination and will you be attaching a Frequency Coordination Report to this application?”		

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
18.		Application Frequency Coordination Report: Select No then click on <Next>. Verify that the system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) <u>File a Full Form 312</u> (hyperlink) 2) Review your answer to this question, OR 3) <u>Exit from this application.</u> ”	The system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) <u>File a Full Form 312</u> (hyperlink) 2) Review your answer to this question, OR 3) <u>Exit from this application.</u> ”		
19.		Application Frequency Coordination Report: Select Yes, then click on <Next>. Verify that the system displays the following attachment information: Frequency Coordination Report, Attach Now (icon), Attach Later (checkbox).	The system displays the following attachment information: “Frequency Coordination Report, Attach Now (icon), Attach Later (checkbox).		
20.		Application Frequency Coordination Report: Click on the Attach Later checkbox. Click Previous. Verify that the system returns to the 3 rd question.	The system returns to the 3 rd question.		
21.		Application Frequency Band. Click on Next. Verify that the system proceeds to the 4 th question. Verify that Attach Later is still checked.	The system proceeds to the 4 th question. Attach Later is still checked.		
22.		Application, Frequency Coordination Report: Click on Next. Verify that the system proceeds to the 5 th question.	The system proceeds to the 5 th question.		
23.		Application, Type of Station: Click on the <Previous> button. Verify that the system returns to the 4 th question.	The system returns to the 4 th question.		
24.		Application Frequency Coordination Report: Select Yes. Click on the Attach Now icon.	The File Upload screen appears.		
25.		Application Frequency Coordination Report: Verify that the File Upload screen contains the following text as well as a <Browse> and <Upload>button: “Please select your file by clicking on the Browse button and upload the desired file by clicking on the Upload button.	The File Upload screen contains the following text as well as a <Browse> and <Upload>button: “Please select your file by clicking on the Browse button and upload the desired file by clicking on the Upload button.		
26.		Application Frequency Coordination Report: Click on the <Browse> button.	A popup Choose File screen appears.		
27.		Application Frequency Coordination Report: Browse your hard drive and select a file. Click <Open>.	The File Upload field populates with the file location and name.		

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
28.		Application Frequency Coordination Report: Click <Upload>.	The system returns to question 4. The file name of the attached file is visible on the screen.		
29.		Application Frequency Coordination Report: Click on the Replace icon.	The File Upload screen appears.		
30.		Application Frequency Coordination Report: Replace the file by performing the file upload process again.	The system returns to question 4. The file name of the attached file is visible on the screen.		
31.		Click on <Next>. Verify that the system proceeds to the 5 th question.	The system proceeds to the 5 th question.		
You may proceed to Test 56					

This is the test of the Fixed Earth Station and KU-BAND options. This assumes the steps from Test #10 have been followed.

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
32.		Verify that the 2 nd qualification question is: “Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?” - Fixed Earth Station - Temporary Fixed Earth Station - Other	The 2 nd qualification question is: “Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?” - Fixed Earth Station - Temporary Fixed Earth Station - Other”		
33.		Application, Frequency Bands, Satellites, and Services: Select Other then click on <Next>. Verify that the system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)	The system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. ” (hyperlink)		
34.		Application, Frequency Bands, Satellites, and Services: Select Fixed Earth Station then click on <Next>. Verify that the system proceeds to the 3 rd question. Verify that Question 4 is now disabled and has a grey X icon in the Summary	The system proceeds to the 3 rd question. Question 4 is now disabled and has a grey X icon in the Summary		

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
35.		Verify that the 3rd qualification question is: "Which band will your proposed earth station be operating in?" - C-band (3700-4200 MHz and 5925-6425 MHz) - Ku-band (11.7-12.2 GHz and 14.0-14.5 GHz) - Other	The 3 rd qualification question is: "Which band will your proposed earth station be operating in?" - C-band (3700-4200 MHz and 5925-6425 MHz) - Ku-band (11.7-12.2 GHz and 14.0-14.5 GHz) - Other		
36.		Application Frequency Band: Select Other then click on <Next>. Verify that the system displays the following information: "Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. " (hyperlink)	The system displays the following information: "Based on your Answer you DO NOT qualify for EZ filing. At this point you may: 1) File a Full Form 312 (hyperlink) 2) Review your answer to this question, OR 3) Exit from this application. " (hyperlink)		
37.		Application Frequency Band: Select Ku-band then click on <Next>. Verify that the system proceeds to the 5 th question.	The system proceeds to the 5 th question.		
38.		From the Summary area, click on question 4. Verify that the system displays the following information: Question 4. has been disabled for the following reason(s): This proposed earth station will be operating in the Ku-Band (11.7-12.2 GHz and 14.0-14.5 GHz). A Frequency Coordination Report is not required for a Ku-Band earth station. Please, NOTE: If you have attached a Frequency Coordination Report to this application it will be discarded when you leave the qualification section and move to the technical section of the application.	The system displays the following information: Question 4. has been disabled for the following reason(s): This proposed earth station will be operating in the Ku-Band (11.7-12.2 GHz and 14.0-14.5 GHz). A Frequency Coordination Report is not required for a Ku-Band earth station. Please, NOTE: If you have attached a Frequency Coordination Report to this application it will be discarded when you leave the qualification section and move to the technical section of the application.		
39.		Application, Frequency Coordination Report Click on <Next>. Verify that the system proceeds to the 5 th question.	The system proceeds to the 5 th question.		
You may proceed to Test 56					

This is the test of the Temporary Fixed Earth Station and C-BAND options. This assumes the steps from Test #10 have been followed. NOTE: Please, create two Temporary Fixed Earth Station and C-BAND filings. These will be needed in later tests.

Test #	Req ID	Description	Expected Results	Actual Results P/F	Change Request #
40.		Verify that the 2 nd qualification question is: “Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?” - Fixed Earth Station - Temporary Fixed Earth Station - Other	The 2 nd qualification question is: “Will your proposed earth station be a fixed earth station or temporary-fixed earth station (not part of a VSAT network) that will operate only in the Fixed Satellite Service?” - Fixed Earth Station - Temporary Fixed Earth Station - Other”		
41.		Application, Frequency Bands, Satellites, and Services: Select Other then click on <Next>. Verify that the system displays the following information: “Based on your Answer you DO NOT qualify for EZ filing.
