Subject: Earth Station Application Filed 6/13/05
June 16, 2005,

Hello Mr. Artim,

Your Earth Station Application for ABC, Inc., Temporary-Fixed License SES-LIC-20050613-00737, E050168, see below for explanation for the changes on your license for EIRP Den. (dBW/4 kHz) from 62.24 to 29.5 on FCC Form 312 question # E49.

NOTE: Changes was made on this License for -PowDen (18.74 dBW) on 14000-14500 36M0G7W exceeds Max Digital PowDen of -14for ROUTINE PROCESSING on SiteID 1, AntenaID 1. To meet ROUTINE PROCESSING level, this power density may be reduced by 32.74 dB; or a 2-DEGREE SPACING ANALYSIS is required.

Therefore if you agree with the changes made above please let me know, so I can further process your application for Public Notice.

Thank You
Eleanor M. Lott
