Dear Ms. Lott,

Thank you for drawing my attention to an error made in the entry of a response in FCC Form 312, Schedule B, Item E49.

As your review noted, this value for EIRP Density per carrier per 4 KHz band should be changed to 29.5 dBW.

Please accept this email as the intent of the applicant to show 29.5 in item E49, FCC Form 312, Schedule B.

Thank you very much for your time and assistance in this matter.

Sincerely,

Alfred E. Resnick, P. E.
