MOTION TO DESIGNATE PROCEEDINGS AS "PERMIT-BUT-DISCLOSE"

Mobile Satellite Ventures Subsidiary LLC ("MSV") hereby requests that the Commission designate the *ex parte* status of the above-captioned proceeding as "permit-but-disclose."¹ Pursuant to the Commission's rules, "[w]here the public interest so requires in a particular proceeding, the Commission and its staff retain the discretion to modify the applicable *ex parte* rules by order, letter, or public notice." 47 C.F.R. § 1.1200(a). This proceeding involves an application to operate earth stations in the United States using an uncoordinated Inmarsat satellite in the L band. The application raises policy issues concerning the management of L band spectrum, including complex technical issues, which are the same issues raised by similar previously filed applications currently pending before the International Bureau to operate with Inmarsat-4 satellites.² The International Bureau has already designated these previously filed

Permit-But-Disclose

¹ On this day, MSV has filed a Notice of Intent to Participate in the above-referenced proceeding, thereby making this proceeding restricted under the Commission's *ex parte* rules. See MSV, Notice of Intent to Participate, File No. SES-LIC-20060130-00175 (February 1, 2006).

IBFS File No. SES-LIC-20060130-00175 (Call Sign E060025)

On February 3, 2006, the Satellite Division granted Mobile Satellite Ventures Subsidiary LLC's request to designate Telenor Satellite, Inc.'s ("Telenor") earth station application that seeks authority to provide Mobile Satellite Services in the L-band with Inmarsat's 4F2 satellite, to be located at 52.75° W.L., as "permit-but-disclose" for purposes of the Commission's rules governing ex parte communications. See Motion to Designate Proceeding as "Permit-But-Disclose," filed by Mobile Satellite Ventures Subsidiary on February 1, 2006. We find that designating this Telenor earth station application as "permit-but-disclose" will facilitate resolution of the complex policy issues raised by the application. Thus, we designate IBFS File No. SES-LIC-20060130-00175 as "permit-but-disclose," effective January 24, 2006. See 47 C.F.R. §§ 1.1200(a), 1.1206 and 1.1208 note 2. This action is without prejudice to any determination regarding the processing of the application.
