Dear Ms. Dortch,

Pursuant to Section 25.133 of the Rules of the Federal Communications Commission, Intelsat LLC certifies that it has completed construction and begun operation of its Hagerstown, Maryland E060029 earth station facilities. The Commission granted Intelsat LLC's license to operate these earth station facilities on March 17, 2006. The station became fully operational on or about April 30, 2006. The earth station antenna authorized by the E060029 license has been tested and operations are consistent with Part 25 of the Commission's Rules. The antenna authorized pursuant to the license will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted
Intelsat Corporation
