Marlene H. Dortch  
Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street S.W..  
Washington D.C., 20554

Dear Secretary Dortch:

This letter is sent to certify the completion of a satellite earth station in accordance with General Provisions of the license.

Name of licensee: Kentucky State Reformatory  
File Number: SES-LIC-20060518-00826  
Call Sign: E060166  
Date of Grant: July 12, 2006

**Certification:**

1. The facility as authorized has been completed.
2. The antenna has been tested and is within 2 dB of the pattern specified in section 25.209.
3. The station is operational.
4. Date of commencement of service was July 12, 2007 (3 AM Eastern Standard Time), and will remain operational during the license period unless the license is submitted for cancellation.

Sincerely,

Warden
