Frank,  
Good afternoon.

Per our conversation of earlier today regarding the STA request for the following. Microwave Radio Communications  
SES-STA-20040405-00507

The satellite to be used is Galaxy 10R @123.0 West Longitude. Attachment 3 of the STA has all of the technical parameters for this site.

Thanks for your help and if you have any questions, please call me at 703-726-5665.

Tim
