Re: *DIRECTV Enterprises, LLC, File No. SES-LIC-20060608-00945*

Dear Mr. Kotler:

In connection with the above referenced earth station application, this is to confirm that DIRECTV Enterprises, LLC will use the requested downlink frequencies in the extended Ku-band (11.45-11.7 GHz) to monitor programming material uplinked to the Galaxy-III satellite from outside the United States.

If you have any questions or would like additional information, please do not hesitate to contact me.

Sincerely yours,

William M. Wiltshire
Counsel for DIRECTV Enterprises, LLC
