Re: *Address Correction*
SES-LIC-20060608-00945

Dear Ms. Dortch:

On August 25, 2006, the International Bureau granted the above referenced satellite earth station license to DIRECTV Enterprises, LLC ("DIRECTV"). This letter is to inform you of a minor error that was found in the original application. The application provided the latitude and longitude of the earth station, and indicated that the address corresponding to these coordinates was 1500 Hughes Way, Long Beach, CA 90810. Unfortunately, while the coordinates in the application were correct, the address of the satellite earth station should have been listed as 3800 Via Oro Avenue, Long Beach, CA 90810.

DIRECTV respectfully requests that this minor error be corrected so that the license accurately reflects the street address of this earth station. Please do not hesitate to contact me if you have any questions.

Sincerely yours,

William M. Wiltshire
Counsel for DIRECTV Enterprises, LLC
