Dear Ms. Dortch:

Iridium Satellite LLC ("Iridium"), by its attorneys and pursuant to Section 1.46 of the rules of the Federal Communications Commission ("FCC"),¹ requests additional time to respond to the International Bureau's January 18, 2007 inquiry with respect to the above-referenced applications.² This additional time is required due to international meetings conflicts and the unavailability of Iridium personnel and contractors with information necessary to provide a complete response. Specifically, Iridium requests until March 9, 2007 to file a response and requests that the International Bureau not dismiss this application pursuant to 47 C.F.R. §25.112(c) during this period.

As required by Section 1.46, Iridium has notified the responsible International Bureau staff orally and by email that this request is being filed today. Please contact the undersigned with any questions.

Respectfully,

Jennifer D. Hindin
