Dear Ms. Lott,

Re: Call Sign E060350

My name is Kevin A. Hawkins and I am an authorized official for the licensee, South Carolina Public Service Authority (aka Santee Cooper). I am writing to you to request an official copy of the aforementioned licensed, call sign E60350. I was reviewing my license files and could not locate the original license. I have obtained an unofficial copy from the FCC website but feel it is imperative to have an original in my possession.

Please let me know if this is an acceptable request that you will be capable of granting. I can be reached by phone at 843.761.8000 Ext 5255 or my email at kahawkin@santeecooper.com. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Hawkins'.
