Re: Satellite Earth Station E890805  
File No. SES-LIC-20061002-01792  
Notice of Construction  
FRN - 0006-9867-23

Dear Ms. Dortch:

On behalf of Grand Valley State University ("GVSU"), licensee of satellite earth station E890805, submitted herewith pursuant to Section 25.133 of the Commission's Rules is a notice of construction of the facilities specified in the E890805 license.

Name of Licensee:	Grand Valley State University
Application File Number:	SES-LIC-20061002-01792
Call Sign:	E890805
Date of License:	December 6, 2006

Based on information provided by GVSU's Chief Engineer, it is certified that the facility as authorized has been completed and that the antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's Rules.

The earth station was operational on the day of the license grant, December 6, 2006.<sup>1</sup>

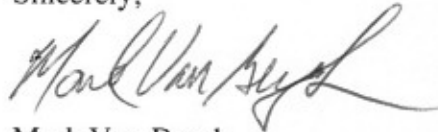

The earth station will remain operational during the license period unless the license is submitted for cancellation.

<sup>1</sup> If more information is required regarding the operation of E890805 please see GVSU's request for special temporary authority, File No. SES-LIC-20061002-001799, granted October 13, 2006.
