**Re: Earth Station E960370 – Certification of Commencement of  
Operation**

Dear Ms. Dortch:

On behalf of Network Direct, Inc., licensee of satellite earth station E960370, please find attached the certification required under Section 25.133 of the Commission's Rules stating that Network Direct, Inc. has commenced operation of the earth station authorized under the license granted on April 23, 2007, File No. SES-LIC-20070319-00373.

Please contact me if you have any questions concerning this submission.

Sincerely,

Tony Lin

**CERTIFICATION OF COMMENCEMENT OF OPERATION**

**Network Direct, Inc.  
FCC File No. SES-LIC-20070319-00373  
Call Sign E960370, Bloomington, Illinois  
License granted April 23, 2007**

I, Gregory Stephens, Chief Engineer of Network Direct, Inc., hereby certify that the above-referenced transmit-receive earth station has been completed and the facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules. Consistent with the authorization received in File No. SES-STA-20070227-00282, the earth station commenced operations prior to the grant of the above-referenced license on April 23, 2007. The earth station will remain operational during the license period unless the license is submitted for cancellation.
