Re: File No.: SES-LIC-20070322-00396, Call Sign: E060390

Ms. Dortch,

L-3 Communications, Titan Corporation ("L-3") respectfully requests that the Commission designate this application proceeding "permit-but-disclose" status under Section 1.1206 of the rules (47 CFR 1.1206). This application proceeding raises advanced and unique issues and Commission consideration of these issues would be furthered by the enhanced exchange of information provided by "permit-but-disclose" status, subject to disclosure of such communication to interested parties.

"Permit-but-disclose" will facilitate resolution of the complex technical and policy issues raised by the application that are also the subject of a pending rulemaking proceeding¹.
