Re: Notification of Construction Complete for
Earth Station: E070068 (Yacolt, WA VSAT Network)
File #: SES-LIC-20070430-00531

Dear Ms. Dortch:

MCI Communications Services, Inc. respectfully submits notification of construction complete for license authorization, SES-LIC-20070430 00531, Call Sign E070068, Yacolt, WA VSAT Network. Construction completed on June, 26, 2007.

MCI Communications Services, Inc. certifies that the facility as authorized has been completed and that each antenna facility has been tested and is within 2 dB of the pattern specified in Sec. 25.209. This earth station will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted,

A handwritten signature in cursive script that reads "Laura Birkelbach".
