Dear Ms. Dortch,

Pursuant to Section 25.133 of the Rules of the Federal Communications Commission, Intelsat LLC certifies that it has completed construction and begun operation of its Hagerstown, Maryland E070139 earth station facility. The Commission granted Intelsat LLC's license to operate this earth station facility on August 14, 2007. The station became fully operational on or about September 1, 2007. The earth station antenna authorized by the E070139 license has been tested and operations are consistent with Part 25 of the Commission's Rules. The antenna authorized pursuant to the license will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted,

By
