**Ref.: Notification of Completion of Construction – Pursuant FCC Rule 25.133(b)(1)**

Dear Ms. Dortch,

This letter is to serve as notification of completion of construction for The VSAT network license, call sign: E070146, for Raytheon Company (“Licensee”). The following is the required information for this notification pursuant FCC Rule 25.133(b)(1):

- i) Licensee Name: Raytheon Company
- ii) File Number: SES-LIC-20070716-00945
- iii) Call Sign: E070146
- iv) License Date: 8/20/2007

v) Licensee hereby certifies that the facility as authorized has been completed and that pursuant FCC Rule 25.132(f), the antenna is on a simple mount (manual drive) operating at a fixed site. Licensee certifies that proper installation, pointing and polarization procedures were followed and that the manufacturer’s installation guidelines were followed. Furthermore, Licensee plans on periodically verify pointing and cross-polarization isolation to insure interference free operations.

vi) Date of which the earth station became operational: November 9, 2007

vii) Licensee states that the station will remain operational during the license period unless the license is submitted for cancellation.

Sincerely,

Karen Dyberg
