**Re: Certification of Construction & Commencement of Operation  
Earth Station E6420**

Dear Ms. Dortch:

Pursuant to 47 C.F.R. § 25.133, The North American Mission Board of the Southern Baptist Convention, Inc. ("NAMB") hereby submits the following information and certifications regarding earth station E6420 (the "Station"). On October 22, 2007, the Federal Communications Commission ("Commission") granted NAMB's application for a new license to continue to operate the Station. NAMB has been operating the Station for a number of years, most recently under a grant of Special Temporary Authority from the Commission.

**Licensee:** The North American Mission Board of the Southern Baptist Convention, Inc.

**Application File Number:** SES-LIC-20070917-01284

**Call Sign:** E6420

**Date of License:** October 22, 2007

**Certification of Completion of Construction:** NAMB hereby certifies that the facility as authorized has been completed and that each antenna facility has been tested and is within 2 dB of the pattern specified in 47 C.F.R. § 25.209.

**Date of Commencement of Operation:** October 22, 2007

**Certification of Commencement of Operation:** The Station is operational and will remain operational during the license period unless the license is submitted for cancellation.
