Dear Ms. Dortch,

Pursuant to Section 25.133 of the rules of the Federal Communications Commission, Intelsat LLC certifies that it has completed construction and begun operation of its transportable E070230 earth station. The earth station antenna authorized by the E070230 license has been tested and operations are consistent with Part 25 of the Commission's rules. The antenna authorized pursuant to the license will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted,
