Mr. Brad Youngblood
Systems Engineer
Micronet Communications, Inc.
720 Ave.
Suite 100
Plano, TX 75074

Re: Harris Corporation
Micronet File # P0722111

Dear Brad Youngblood:

Thank you very much for the copy of your FCC application sent to us in accordance with the Puerto Rico Coordination zone agreements. We have considered the technical aspects of your application and find that your installation is unlikely to cause harmful interference to the passive use of the Radio Astronomy bands at the Observatory. We therefore have no objection to your proposed installation.

Sincerely yours,

Dr. Bob Kerr
Director

Reinaldo Velez
Spectrum Manager
