Hello Ms. Charron,

I contact you yesterday and left a voice mail for you to contact me, but I have not heard from you as of yet? My question was in reference to your Harris Earth Station License stated above. I need to know did your address changed because your E/S License was return to the Commission undelivered so what is going on? Can you please contact me back with this information by e-mail or phone 202-418-0728.

Thank You
Eleanor M. Lott
