Re: This letter is to certify completion of construction and commencement of operation of a  
Fixed  
Satellite Earth Station.

Name of Licensee: Covenant Educational Media, Inc.  
File Number: SES-LIC-20080127-00093  
Call Sign: E080019

On March 5, 2008 full technical compliance and antenna performance verification of the earth station was performed per the FCC rules & regulations (25.209). Testing and verification was performed using the facilities, resources, and monitoring equipment of Intelsat.

Commencement of service began on March 27, 2008 and is expected to remain operational for the licensed period indicated.

Sincerely,

Douglas E. Price
