Re: Site Location Address Change for CNN America, Inc.; Call Sign E080043

Dear Ms. Lott:

On behalf of our client, CNN America, Inc., we hereby request that the FCC change its records and issue a new license based on the *pro forma* assignment application bearing the file number SES-ASG-20131021-00880, call sign E080043 (“Application”), to reflect the correct site location. The FCC granted the Application on October 22, 2013, as listed in an FCC Public Notice issued on October 23, 2013, and the transaction was consummated on October 29, 2013.^{1/} CNN America, Inc. did not have the option to update the site location reference (location no. 1) when it submitted the Application. The address should therefore be corrected, and the license re-issued, to reflect the following information for location 1:

**384 Northyards Blvd.
Suite 490
Atlanta, GA 30313**

Kindly refer any questions regarding this request to the undersigned.

Respectfully submitted,

/s/ Angela Y. Kung
