Re: Certification of Completion of Construction and Commencement of Service, SES-LIC-20080214-00193, Callsign E080044

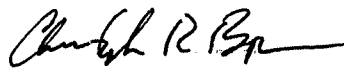

Dear Ms. Dortch:

On behalf of Cable News Network, LP, LLLP ("CNN"), we submit this letter to confirm and certify that CNN completed construction of the earth station facilities on the earth station associated with FCC File No. SES-LIC-20080214-00193, call sign E080044.

CNN is operating the facility as authorized by the license granted by the Federal Communications Commission ("FCC") on March 28, 2008. The facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the FCC's rules. The station has commenced operations and will remain operational during the entire license period unless the license is submitted for cancellation.

Please address any questions to the undersigned.

Sincerely,

Christopher R. Bjornson
Counsel for Cable News Network, LP, LLLP
