Re: **Construction Notification - Call sign E080120**

Dear Ms. Dortch;

Pursuant to Section 25.133(b)(1) of the Commission's rules 47 C.F.R. § 25.133(b)(1), EchoStar Corporation hereby submits an original and four copies of the signed notification certifying that the above referenced licensed facilities have become operational. We are also including an additional copy of this letter and the attached certificate, and we respectfully request that this copy be stamped and returned with our courier.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Petra A. Vorwig

**EchoStar Corporation**

**Certification of Completion**

**Licensee:** EchoStar Corporation

**File Numbers:** SES-LIC-20080516-00652

**Call Sign:** E080120

**Date of Grant:** November 3, 2008

**Date on which Station Became Operational:** November 12, 2008

Construction of the antenna facility identified above, as authorized by the Commission, has been completed and is operational. The antenna has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules. 47 C.F.R. § 25.209. Commencement of service began on November 12, 2008, and the antenna will remain operational throughout the license period unless the license is submitted for cancellation.

I hereby certify that I am the technically qualified person responsible for preparation of the attached information; that I am familiar with the Commission's rules and policies, including 47 C.F.R. Part 25 concerning satellite earth stations; and that this information is accurate to the best of my knowledge.

Name: Silas Cole
