Dear Ms. Dortch,

Pursuant to Section 25.133 of the Rules of the Federal Communications Commission, Intelsat LLC certifies that it has completed construction and begun operation of its Nuevo, California E080170 earth station facility. The Commission granted Intelsat LLC's license to operate this earth station facility on September 17, 2008. The station became fully operational on or about July 14, 2008. The antenna authorized pursuant to the license will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted,
