RE: Special and General Provisions

To whom it may concern:

As per Section H of the Radio Station Authorization form – Special and General Provisions – we certify the following information to be true and correct.

Section 2938:

- Lake Pointe Church
- File Number is SES-LIC-20080914-01198
- Call sign of the antenna is E080202
- Date of the license and certification that the facility as authorized has been completed is October 30, 2008
- The antenna being used for this earth station is the Prodelin 1251 which is within the 2dB of the pattern specified in Section 25.209
- The station is currently operational on an ad-hoc basis and will remain operational during the license period.

Please do not hesitate to contact me at (949) 388-9078 x101 or by e-mail (sean@tbcintegration.com) with any questions or comments.

Sincerely,

A handwritten signature in blue ink that reads "Sean Busby".
