**Re: Request for Correction of Earth Station Call Signs E180167, E180170,
E180171, E080247, and E090014**

To: International Bureau

TEGNA Inc. (“TEGNA”), on behalf of its subsidiary Cape Publications, Inc. (“Cape”), respectfully requests that the Commission update its files for earth station Call Signs E180167,¹ E180170,² E180171,³ E080247,⁴ and E090014⁵ (“TEGNA Earth Stations”) to specify Cape as the licensee/registrant, as follows:

Registrant/Licensee: Cape Publications, Inc.
FRN: 0024376063

The Commission’s records currently identify Tribune Broadcasting Company II, LLC (“Tribune Broadcasting”) as the licensee/registrant of these earth stations, but this reflects an error. Cape acquired the TEGNA Earth Stations from Tribune Broadcasting Fort Smith License, LLC (“Tribune Fort Smith”) pursuant to assignments that the International Bureau (“Bureau”) granted on September 16, 2019.⁶ The parties consummated the underlying transaction on September 19, 2019, and since that date Cape has maintained ownership and control over all five earth stations.

Despite the September 2019 assignment, Tribune Fort Smith in December 2019 filed *pro forma* applications seeking to assign the TEGNA Earth Stations—which it no longer owned—to

corporate affiliate Tribune Broadcasting.⁷ Although these applications incorrectly included the five TEGNA Earth Stations, they were granted on December 30, 2019⁸ and January 13, 2020.⁹ As a result, the TEGNA Earth Station registrations and licenses erroneously identify Tribune Broadcasting—not Cape—as the registrant/licensee.

To properly reflect the ownership of the E180167, E180170, E180171, E080247, and E090014 earth stations, please update the appropriate file numbers in the International Bureau Filing System (“IBFS”) to identify Cape Publications, Inc. (FRN: 0024376063) as the registrant/licensee.

Please direct any questions to the undersigned.

Respectfully submitted,
