Dear Ms. Trang Nguyen,

We, FUJI TELEVISION NETWORK, Inc., would like to request the removal of PanAmSat 5 from the Points of Communication list in Schedule B of the FCC Form 312 since we have registered PanAmSat 8 instead.

Also, we would like to request the change in the power level in items E48 and E49 under Frequency in Schedule B of the FCC Form 312 as follows:

E48 ---- 50.7dBW (vice: 54.0) in the line of 2M00G7W

E49 ---- 23.7dBW/4kHz (vice: 27.0) in the line of 2M00G7W

Thank you very much for your cooperation.

Sincerely yours,

Yutaka Kumemura
