Re: Notification of Construction and Commencement of Service

Dear Madam Secretary:

On March 9, 2009, the Commission granted the license for Transmit/Receive Earth Station E090006 (the "Station") under File No. SES-LIC-20090115-00043. This letter is to advise the Commission that the Station has been constructed and placed in operation.

Specifically, the Commission is advised as follows:

- **Name of Licensee:**

DRS Technical Services, Inc. ("DRS-TSI")

- **File Number:**

SES-LIC-20090115-00043

- **Call Sign and Date of Grant:**

E090006, March 9, 2009

- **Certification:**

DRS-TSI certifies that: (i) construction of the Station's facilities as authorized has been completed; (ii) each antenna facility has been tested and is within 2 dB of the pattern specified in Section §25.209 of the Commission's rules; and (iii) as of **30 April 2009**, the Station is operational and will remain operational during the license period unless the license is submitted for cancellation.
