Dear Ms. Dortch:

Trident Space & Defense certifies that construction of the above-referenced fixed C-band earth station at Yona, Guam has been completed. The following information is provided for filing with the FCC:

1. Licensee: **Trident Space & Defense**
2. File Number: **SES-LIC-20090206-00150**
3. Call Sign: **E090026**
4. Date of License: **March 17, 2009**
5. Certification: **See Below**
6. Date of First Operation: **May 31, 2009**

Trident Space & Defense certifies that the facility as authorized has been completed and that each antenna facility has been tested and is within 2 dB of the pattern specified in Sec. 25.209. This earth station will remain operational during the license period unless the license is submitted for cancellation.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex G. Nichols", written over a light blue horizontal line.
