Re: Request to surrender our license

To whom it may concern,

I am writing in my capacity as the Vice President of NTV International Corporation (NTVIC) -- a U.S. subsidiary of Nippon Television Network Corporation, the largest commercial broadcast television network in Japan. Nippon Television would like to surrender the following license because they stopped using their temporary Fixed Earth Station.

Call Sign: E090108

File Number: SES-LIC-20090612-00731

Please contact me if you require additional information or documentation to process this request.

Thank you for your time and consideration.

Sincerely,

Shunsuke Ochiai

Vice President

NTV International Corporation
