Re: Earth Station Call Sign E090179, File No. SES-LIC-20091016-01334

Dear Ms. Dortch:

Globecomm License Sub LLC (“Globecomm”), by counsel, submits this letter to correct a typographical error in the license for earth station, call sign E090179. The address on the license currently states “201 North Trinity Street” but should be corrected to state “201 North Tryon Street.” There are no other changes to the license. Please update Globecomm’s license to correct this typographical error.

Should there be any questions, please do not hesitate to contact me.

Respectfully Submitted,

/s/ Colleen King
