This letter is to explain Micron's request to "Surrender":

Licensee: Micron Technology, Inc.

File Number: SES-LIC-20100107-00012

Call Sign: E100003

Micron's earth station uplink system was rarely used and was in disrepair when it was rendered unrepairable during a wind storm in August 2013. Shortly after that, we decided we no longer need an uplink system so dismantled the system.

Sincerely,
