Re: Certification for **Micron Technology, Inc., Boise ID**  
**SES-LIC-20100107-00012**

OCT 20 2010

Satellite Division  
International-Bureau

Dear Marlene,

**Micron Technology, Inc.** certifies that construction repairs of the above-referenced fixed **Ku-band** earth station at **Boise, ID** has been completed. The following information is provided for filing with the FCC:

- |                             |                                     |
|-----------------------------|-------------------------------------|
| 1. Licensee:                | <b>Micron Technology, Inc.</b>      |
| 2. File Number:             | <b>SES-LIC-20100107-00012</b>       |
| 3. Call Sign:               | <b>E100003 (previously E990156)</b> |
| 4. Date of License:         | <b>2/17/2010</b>                    |
| 5. Certification:           | <b>See statement below</b>          |
| 6. First Date of Operation: | <b>7/14/1999</b>                    |

**Micron Technology, Inc.** certifies that the facility as authorized has been completed and that each antenna facility has been tested and is within 2 dB of the pattern specified in Sec. 25.209. This earth station will remain operational during the license period unless the license is submitted for cancellation.

Sincerely,

  
**Micron Technology, Inc.**
