

Statement & Explanation of Exemption from FAA Notification

This statement is in reference to Form 312 question E20:

“E20: FAA Notification - (See 47 CFR Part 17 and 47 CFR part 25.113(c)) Where FAA notification is required, have you attached a copy of a completed FCC Form 854 and / or the FAA's study regarding the potential hazard of the structure to aviation?”

FAA notification is not required for this earth station because it's maximum height of 35 feet AGL falls below the criteria listed in 47 CFR Part 17.7

Signature

A handwritten signature in black ink, appearing to read "Alan W. Carle". The signature is written in a cursive style with a large initial "A".
