Request to Surrender FCC Licenses

Dear Sir,

Cisco Systems requests to surrender the licenses listed below for the Earth Station located at several Cisco locations. The earth station have been placed out of permanent operation and therefore the licenses are no longer required.

The call signs of the licenses Cisco wishes to cancel are as follows

E090155 Located in RTP North Carolina

E090190 Located in Boxborough MA.

E10030 – Authorizing the use of 1.8 meter antenna for client services.

E100116

Please contact Cisco Systems if further information is required.

Regards

David A. Case NCE, NCT
Technical Leader
Cisco Systems.
