Subject: Amendment to FCC pending earth station application for new license SES-LIC-20101209-01524

Dear Towanda,

I would like to amend the pending application with FCC File No: SES-LIC-20101209-01524 with the following information:

1) In the POC section please add the following satellites:

Intelsat 903 at orbital location
Intelsat 1R at orbital location

2) I would also like to correct the receive antenna gain from 57.7 dBi measured at 11.6 GHz to 58.5 dBi measured at 11.9 GHz

Sincerely,

Ryan Wilhour
