Re: New Trade Names, Call Sign E100192, File No. SES-LIC-20101229-01640

Dear Ms. Dortch:

SkyWave Mobile Communications, Corp. (“Skywave”) submits this letter for the above-referenced file to inform the Commission of the marketing of its CMS-TRP and CMS-TRH mobile earth stations (“METs”) licensed under Call Sign E0100192 under new trade names. Specifically, SkyWave is now marketing the CMS-TRP under the IDP 680, IDP 180, IDP 800 and IDP 780 trade names. Similarly, SkyWave is marking the CMS-TRH under the IDP 690 and IDP 190 trade names. The only difference between the CMS-TRP and CMS-TRH and their respective IDP series are the external form factors; all radio frequency characteristics of the IDP series remain identical to those authorized for the CMS-TRP and CMS-TRH.

Respectfully submitted,

/s/
