

## 2 Degree Antenna Statement

Re: 2.4 Meter Transportable Earth Station  
Fixed Satellite Service  
C-Band 5925 – 6425 MHz

This 2.4 meter antenna will be licensed for the exact same parameters as the currently licensed 2.4 for Solo Satellite Communications, Call Sign E080249 – File Number SES-LIC-20081217-01624 granted on 2/17/2009.

The operational parameters and points of communication are the exact same as E080249, therefore antenna radiation plots are to be required or attached with this application.
