Subject: RE: PSSI Global Services LLC Applications

On the following applications please indicate a minimum antenna elevation angle of 5 for both the eastern limit (E57) and western limit (E59).

SES-LIC-20110408-00408, E110058
SES-LIC-20110408-00409, E110057

Please let me know if there are any other concerns.

Best regards,

Brian Nelles
Sr. Vice President
PSSI Global Services, LLC
702/553-1820 Direct
