Re: Notice of Construction and Certification of Operations
Earth Station E110141
File No. SES-LIC-20110425-01202

Dear Ms. Dortch:

NSSL Global LLC ("NSSL") hereby certifies that call sign E110141 (the "Station")¹ has been constructed and is operational. The Station will remain operational during the license period unless the license is submitted for cancellation.²

If you have any questions regarding this filing, please contact the undersigned.

Sincerely,

Geoff Darbyshire
Vice President

¹ See Public Notice, Satellite Communications Services Information re: Actions Taken, Report No. SES-01389 (rel. Oct. 12, 2011).

² Construction and operation of these facilities was last certified in July 2011 when they were part of call sign E070026. Facilities have remained in operation and have not been modified.
